Gentlemen,

Del Oro Water Company --- which serves Magalia -- will have some at the meeting Sunday. As I mentioned last night, Supervisor Teeter's plan is to have a Magalia-specific meeting, so PID's involvement wouldn't really make sense anyway.

Does that work on your end?

Bruce – we are sending our Director of Corporate Accounting, Janice Hanna, who will have available our latest notice to consumers that will be out today on the web and posted at various locations. I am also reaching out to PID that their notices are still not clear enough that Del Oro serves outside of their boundaries and is 100% operational at this time. Thanks, Bob
